# Overview

This project includes 60 apartments across 5 buildings, each offering 2 or 3 bedrooms. All apartments have large southeast-facing private terraces with expansive windows, offering panoramic views of the golf courses and the Bay of Marbella.

# Amenities

The development features landscaped common areas, saline chlorination pools, including a children's pool, and sunbathing areas. Each apartment comes with underground parking, pre-installed for electric vehicle charging, and a storage room.

# Specifications

The apartments include high-quality features such as fully equipped kitchens with **Siemens** appliances, **Silestone** countertops, and sleek **Saloni** porcelain floor tiles on the terraces. The development boasts a high energy efficiency rating (A) with renewable energy solutions like photovoltaic panels.

# Sustainability

The buildings are designed for energy efficiency with advanced insulation, an aérothermal system for hot water, and **LED lighting**. Photovoltaic panels provide partial self-consumption for the community.
