Overview

The development has **112 apartments** across 13 blocks, built in two phases on a 10,200 m² plot. Each apartment has 2 or 3 bedrooms and 2 or 3 bathrooms. The duplex penthouses have an open living, dining and kitchen area with two bedrooms on the lower floor, and a master suite with a private terrace above. The 2-bedroom apartments include a master bedroom with an ensuite bathroom. Every apartment has a terrace and one garage space, and some include a storage room. Completion is planned for the end of 2027.

Amenities

Residents have access to a **Social Club** on a separate plot next to the golf practice range. The Club House includes an indoor heated pool, a spa, a gym, a multipurpose room for meetings or coworking, and changing rooms. Outside there are two swimming pools, including an infinity pool with panoramic views and a chill-out pool, plus a solarium and lounge areas. The complex also has landscaped gardens, sports areas, walkways, a basement garage, visitor parking, elevators in every block, and a video intercom system.

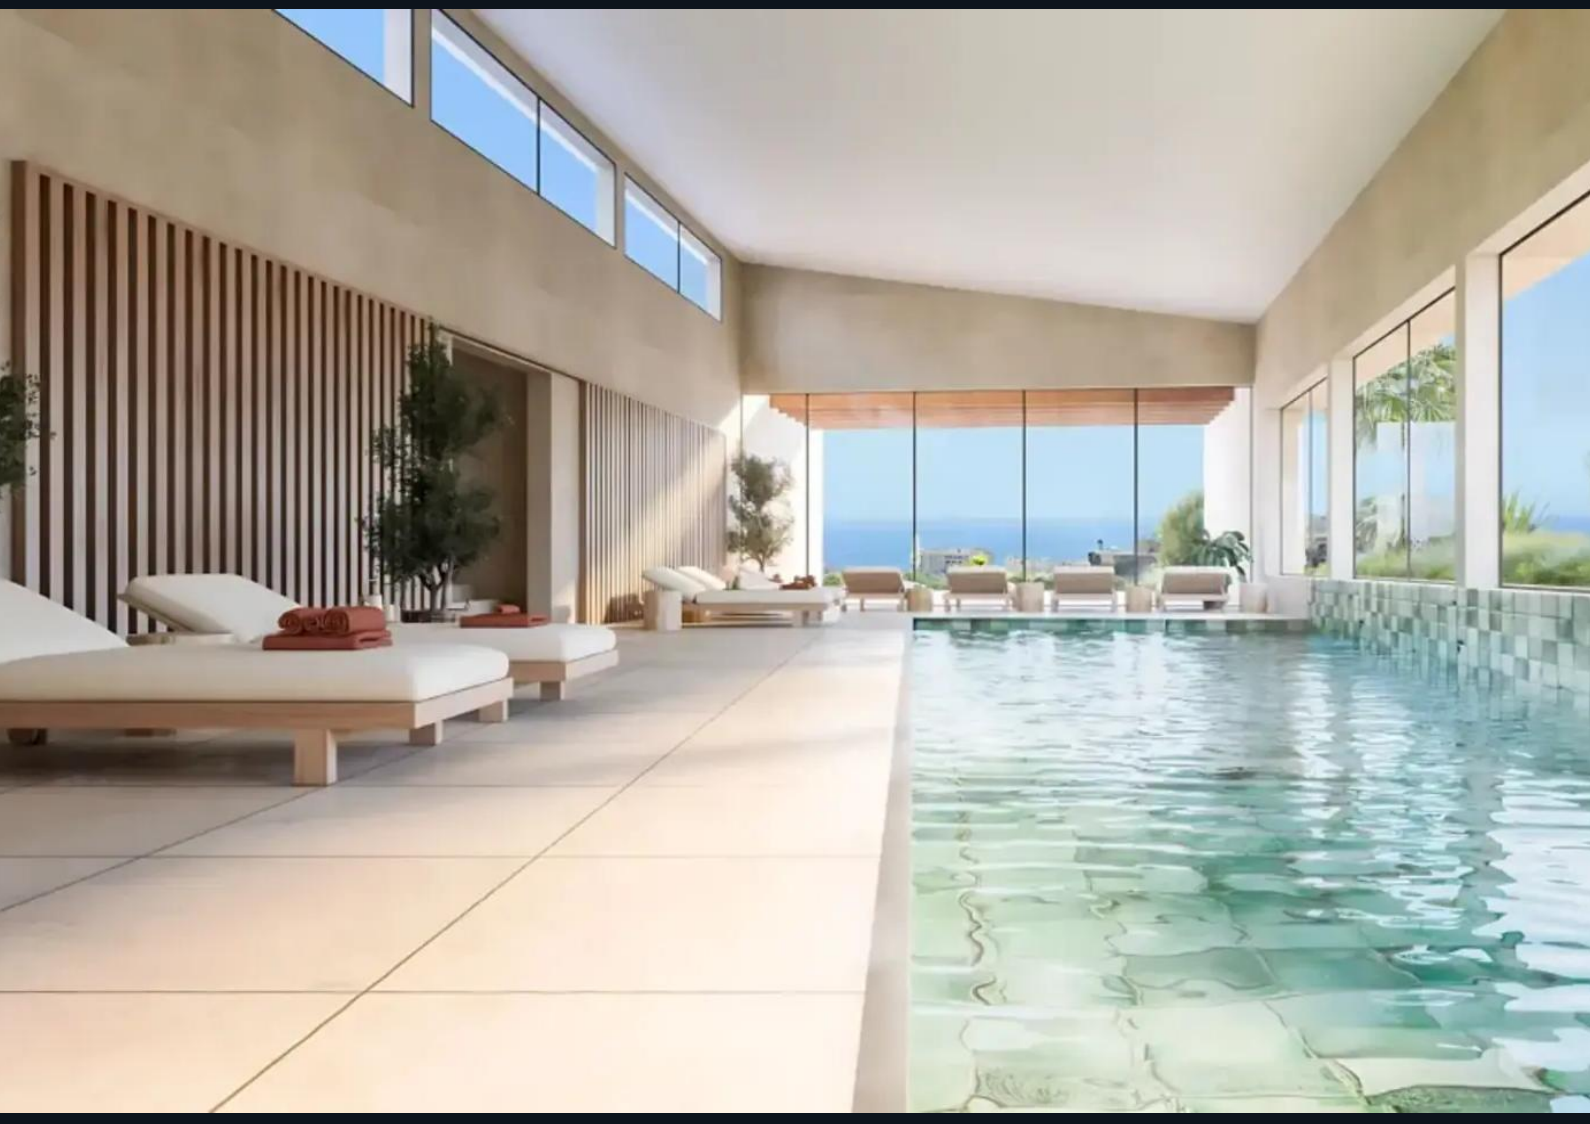

Specifications

Each apartment has a **fully equipped kitchen** with an oven, microwave, dishwasher and fridge-freezer, all built in to match the kitchen units. Large-format porcelain flooring runs throughout, with non-slip porcelain on the terraces. The air conditioning provides both heating and cooling through ducts in the false ceiling. Windows are double glazed with grey aluminium frames, and the bedrooms have motorized blinds. Each apartment also has an armoured entrance door, built-in wardrobes in every bedroom, and bathrooms with Roca or similar fittings and glass shower screens.

Sustainability

The development uses an **aerothermal heat pump** to produce hot water, which lowers energy use. The facades, roofs and walls between apartments include thermal and acoustic
