Overview

This project consists of 44 apartments with 2 and 3-bedroom options, each including two parking spaces and a storage room. The development is set within a private gated complex with beautifully landscaped gardens and two communal swimming pools.

Amenities

Residents have access to two outdoor pools, one with an infinity edge, both featuring night lighting and saltwater chlorination. Additional features include an outdoor gym, bicycle parking area, and landscaped gardens with a variety of trees and shrubs.

Specifications

Each apartment includes a fully equipped kitchen with quartz countertops and high-end appliances such as an oven, induction hob, extractor fan, microwave, fridge, dishwasher, and washing machine. The apartments feature underfloor heating in bathrooms, aerothermal air conditioning, porcelain flooring, and large terraces with non-slip stoneware.

Sustainability

The development prioritizes energy efficiency, with thermal and acoustic insulation, double-glazed windows, and energy-saving LED lighting. The garage is equipped with a ventilation system, fire protection measures, and pre-installed electric car charging outlets.
