Overview

This gated development comprises 12 exclusive 3 and 4-bedroom apartments and penthouses, designed to offer sea and mountain views. The penthouses and ground-floor units feature private pools, while all residences have large terraces for outdoor living.

Amenities

The community includes two saltwater pools, a fully equipped gym, a social club, and beautifully landscaped gardens. The development also offers a co-working area and 24-hour security with perimeter fencing.

Specifications

Each apartment is equipped with underfloor heating, air conditioning, and home automation systems. Kitchens are fully furnished with Miele appliances, while bathrooms feature high-end Hansgrohe fittings. Exterior carpentry includes double glazing and thermal insulation for comfort and efficiency.

Sustainability

The project is designed with sustainability in mind, utilizing aerothermal technology for hot water and energy-saving features such as photovoltaic panels to power communal areas. All apartments include energy-efficient systems.
