Overview

This development consists of 7 blocks with 74 apartments, featuring 2 or 3 bedrooms. The apartments range from ground-floor units with private gardens to penthouses with large terraces. Each apartment offers an open-plan layout with large windows to maximize natural light.

Amenities

The complex includes a wide range of amenities for residents, such as an infinity pool with sea views, beautifully landscaped gardens, a social club, and a gym. All parking spaces and storage rooms are located underground to keep common areas safe and spacious.

Specifications

Each apartment is equipped with a fully furnished kitchen featuring Siemens appliances, electric shutters, and LED lighting. Flooring is high-quality porcelain stoneware by Porcelanosa throughout the apartment, and the bathrooms feature premium tiling.

Sustainability

The development incorporates environmentally friendly technology, including an aerothermal system that saves up to 78% in electricity consumption by utilizing renewable energy sources for hot water and air conditioning.
