# Overview

This completed, move-in ready development has 70 apartments with 2 or 3 bedrooms, including penthouses. Each apartment has a large terrace with sea and mountain views and a south-east or south-west orientation. Built sizes range from about 103 to 155 m<sup>2</sup>, with terraces between 38 and 95 m<sup>2</sup>. Every apartment includes one underground parking space and one storage room, and the complex is private, gated and has 24-hour security.

# Amenities

The development has two large swimming pools and a solarium set within tropical, landscaped gardens. Residents can use a fully equipped gym, a wellness area and a quiet zen and relaxation space. There is also an outdoor gastronomic area with a covered kitchen for shared meals. The communal areas are designed to balance privacy with shared living.

# Specifications

Floors are finished in honed cream marble, with walls and ceilings painted white. Windows have PVC frames with Climalit double glazing, and doors are white lacquered with black handles. Kitchens come with porcelain countertops, white lacquered units and Siemens appliances, plus a Teka sink and tap. Bathrooms have marble wall cladding, a Roca toilet and Grohe taps.

# Sustainability

The apartments include features that support energy efficiency. Climalit double glazing with PVC frames helps keep a stable indoor temperature and lowers energy use. LED lighting is fitted throughout the interiors and terraces, and climate control runs on Johnson Controls equipment. The gardens use Mediterranean planting suited to the local climate.
