Overview

This development consists of 66 townhouses, each with 3 bedrooms. Some properties feature a private garden and pool. All units come with parking and enjoy sea views. The complex offers modern designs and privacy, perfect for those looking for comfort and leisure.

Amenities

Residents have access to a community pool with saltwater chlorination, landscaped gardens, a fully equipped gym, and a spa. There are coworking spaces and a community lounge, perfect for relaxation or work. The development is designed for both comfort and quality of life.

Specifications

Each townhouse includes porcelain stoneware flooring, fully equipped kitchens with Silestone countertops, and high-quality bathroom fixtures. The homes are thermally and acoustically insulated, have air-conditioning systems with heat pumps, and feature double-glazed aluminium windows.

Sustainability

The development is rated Energy Class A, with low-energy LED lighting, eco-friendly air conditioning systems, and water-saving sanitary fixtures. The homes prioritize energy efficiency, using renewable energy systems for hot water and advanced ventilation systems.
