Overview

This development has **three buildings with one entrance each**, divided into two levels of linear blocks that follow the slope of the land. It offers **111 apartments with 1, 2 or 3 bedrooms**, plus 134 parking spaces and 111 storerooms. Each apartment has a hallway-distributor, living room, kitchen, terrace, and one or more bathrooms. East- and west-facing orientations give every apartment golf course views and natural light throughout the day. Delivery is planned for the first quarter of 2029.

Amenities

The development offers an outdoor swimming pool with a chill-out area and poolside solarium, plus a rooftop pool. There is also a heated indoor pool with a sauna, a fully equipped gym, and a social club with a coworking area. Landscaped communal gardens have lighting and an automatic irrigation system. Residents also have access to dedicated golf buggy parking and storage rooms with lighting.

Specifications

Each apartment has a fully fitted kitchen with laminated cabinets, a Silestone-type worktop, and Bosch or similar appliances, including a ceramic hob, oven-microwave, extractor hood, fridge, dishwasher, and washing machine. Floors have 60x60 cm ceramic stoneware tiling. Bedrooms have built-in wardrobes and thermal-insulated aluminium roller shutters. There is hot/cold ducted air conditioning in the living room and bedrooms. Windows are double glazed with an insulating chamber.

Sustainability

The development uses an aerothermal system to produce domestic hot water, which is an energy-efficient alternative to gas or electric heating. Photovoltaic solar panels are installed on the rooftops, in line with the Spanish Building Code. Each apartment also has a pre-installed electric vehicle charging point. The communal gardens use an automatic irrigation
