Overview

This development is located within a luxury community, surrounded by lush landscapes and the Sierra de las Nieves National Park, offering sea views and extensive outdoor trails. It provides a private retreat within a natural setting.

Amenities

Residents enjoy an indoor pool, gym, fitness studio, rooftop terrace, yoga room, jacuzzi, hammam, tennis courts, and café lounge. Additional facilities include a concierge, coworking space, and a farmers' market.

Specifications

Units are equipped with high-quality Siemens kitchen appliances, a Technal aluminum frame window system with UV filters, waterproof facades, acoustic insulation, and programmable lighting and temperature controls via a mobile app.

Sustainability

The development integrates energy-efficient systems, such as double-glazed windows for thermal insulation and KNX technology for optimizing energy use. All materials prioritize environmental sustainability.
