Overview

This development includes a single four-story building with a total of **38 apartments**. Residents can enjoy panoramic sea views, ranging from **ground-floor apartments with private gardens** to **penthouses with private pools and solariums**. The building features large windows and open layouts designed for natural light and outdoor living.

Amenities

The complex offers a **community swimming pool**, lush landscaped gardens with native plants, and a **private parking area** with underground spaces equipped with pre-installation for electric vehicle charging. Each unit also includes a **storage room**.

Specifications

Each apartment is equipped with a **modern kitchen**, including appliances such as a hob, oven, refrigerator, microwave, dishwasher, and extractor hood. The interiors feature **large-format ceramic flooring**, **double-glazed windows** with thermal insulation, and **low-consumption inverter air conditioning**. Bathrooms include high-quality fittings, with the option to customize between a shower or bathtub.

Sustainability

Sustainable features include **solar panels**, energy-efficient double-glazed windows with low thermal transmittance, and a **mechanical ventilation system** to reduce energy consumption. Aerothermal systems are used for water heating, utilizing renewable energy.
