Overview

This development consists of **55 apartments spread across 3 blocks**, available with **1, 2, or 3 bedrooms**. The majority of apartments have **direct sea views**, with large terraces opening towards the Mediterranean. Penthouse apartments include private sun decks with the option to add a jacuzzi. Every apartment comes with a garage space and a storage room included.

Amenities

The complex offers an **adult swimming pool and a separate children's pool**, both surrounded by landscaped gardens. Residents also have access to a fully equipped gym, a bicycle parking area, and a children's play area. Elevator access is available throughout the building, and communal parking is provided within the complex.

Specifications

Each apartment features an **open-plan living, dining, and kitchen layout**, with large windows that bring in natural light and frame the sea views. Terraces are generously sized, and penthouse sun decks offer the option to add a jacuzzi. All apartments include **underfloor heating**, aerothermal technology for domestic hot water, and fully equipped open-plan kitchens.

Sustainability

All apartments carry an **A energy rating**. The building uses aerothermal technology for domestic hot water production and thermally insulated façades to keep spaces cool in summer and warm in winter. Large windows reduce reliance on artificial lighting throughout the day. Pre-installation for **electric vehicle charging points** is also included in the garage area.
