# Overview

This development consists of 22 apartments with 2 or 3 bedrooms. Each apartment includes a private terrace, offering stunning views of the Mediterranean Sea. All units come with a parking space and a storage room.

# Amenities

The development features various amenities for residents, including an outdoor swimming pool, a children's pool, landscaped gardens, and a solarium. It also offers communal parking, a bicycle storage room, and an elevator for easy access to all floors.

# Specifications

Each apartment is equipped with modern fittings, including a fully furnished kitchen with appliances like an induction hob, electric oven, dishwasher, refrigerator, and washing machine. The apartments feature porcelain stoneware flooring, air conditioning through ducts, and underfloor heating in the bathrooms. The terraces are fitted with non-slip stoneware flooring, a water inlet, drainage, and electrical and TV sockets.

# Sustainability

The development is committed to sustainability, featuring thermally insulated façades, aérothermal technology for water heating, and pre-installation for electric vehicle charging points. The buildings are designed to maximize energy efficiency and reduce environmental impact.
