Overview

This development consists of apartments with 1, 2, 3, or 4 bedrooms, all including a garage and storage room. The design prioritizes open spaces and contemporary living, with terraces offering exceptional views of the sea, mountains, and town.

Amenities

Residents can enjoy two saline chlorination swimming pools, a gym with a sauna, a coworking space, and a social club. The development also features landscaped gardens with an automatic irrigation system.

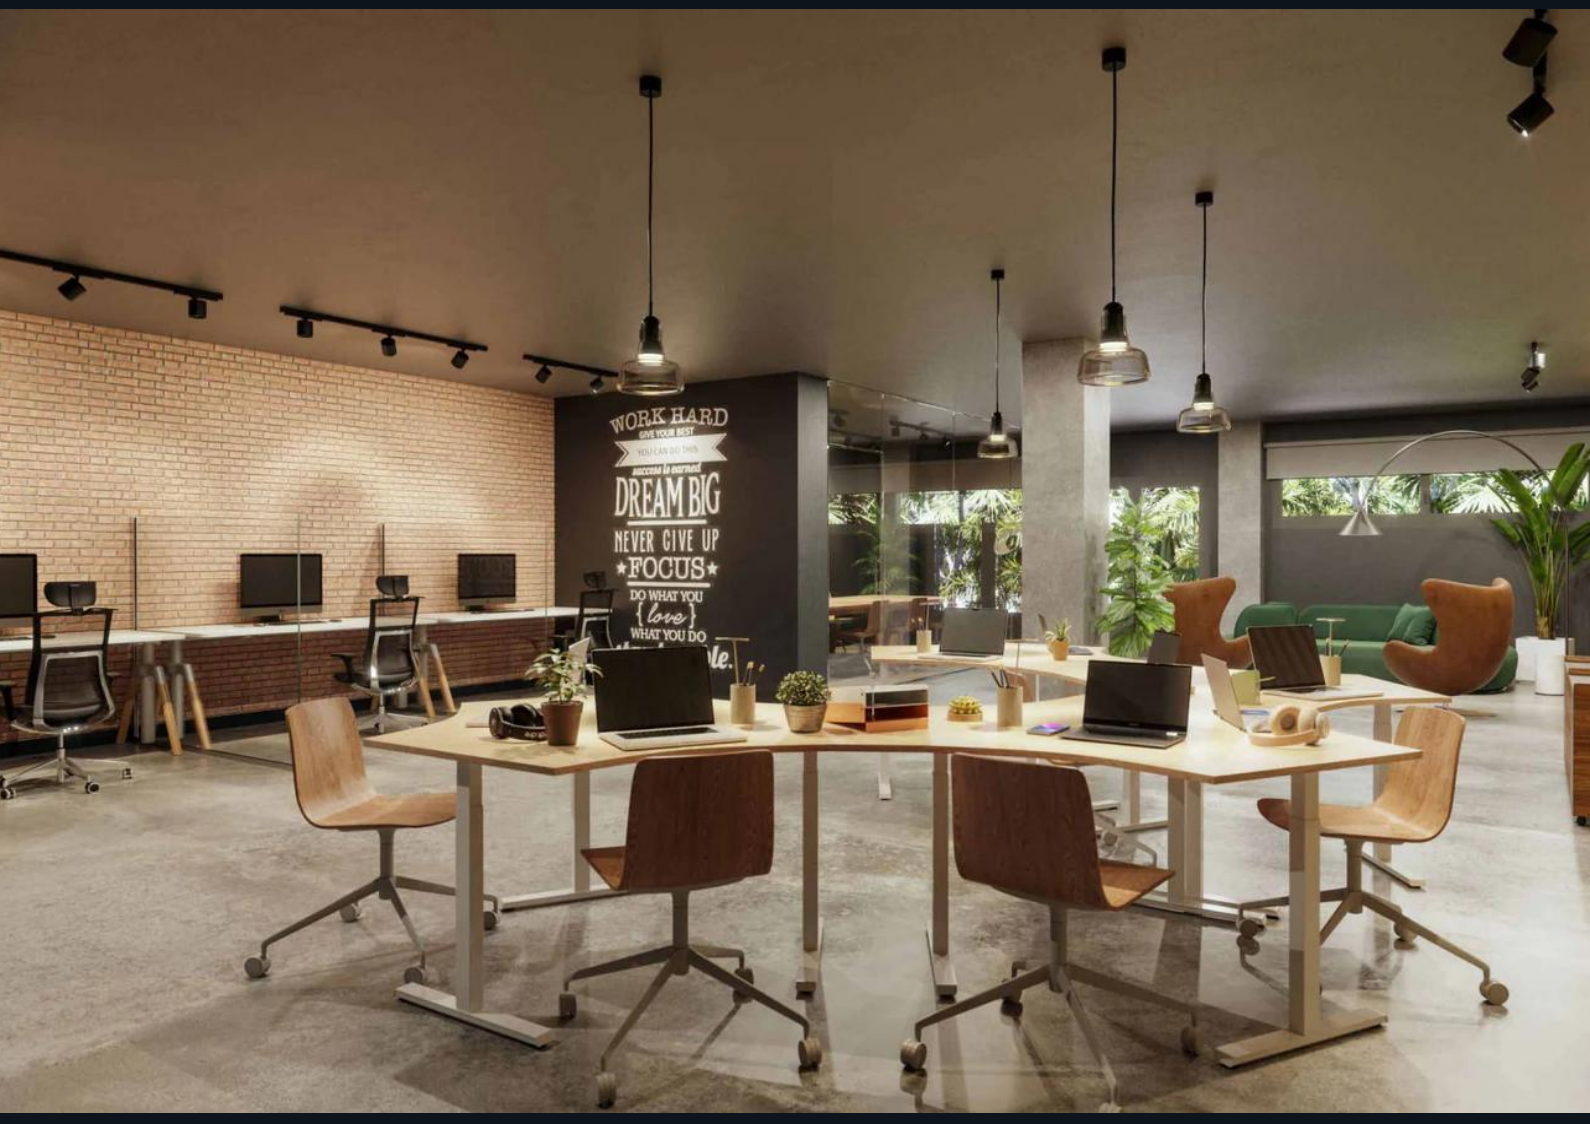

Specifications

Each apartment is equipped with an open kitchen, a large terrace, and floor-to-ceiling windows. Interiors feature high-quality laminate flooring and ceramic tiles in bathrooms. Kitchens come with Silestone countertops and modern appliances. Heating and cooling are provided via ducted air conditioning, and bathrooms include premium fittings.

Sustainability

The project incorporates solar panels for hot water and an energy-efficient aerothermal system. Apartments feature double-glazed windows for better insulation, and there is pre-installation for electric vehicle charging.
