Overview

The development has 6 blocks with 2 and 3-bedroom apartments. Each apartment features a generous terrace. Ground floor units come with private gardens, and penthouses include solariums with panoramic sea and mountain views. The curved architecture follows the natural slopes, with built areas ranging from around 82 to 167 m².

Amenities

Residents enjoy two outdoor swimming pools with saline chlorination, an indoor spa with heated pool, sauna and cold water bath, a fully equipped gym, an outdoor pool bar with chill out area, and a coworking space with kitchen. The complex includes secure access control, a mechanized garage door and extensive landscaped gardens.

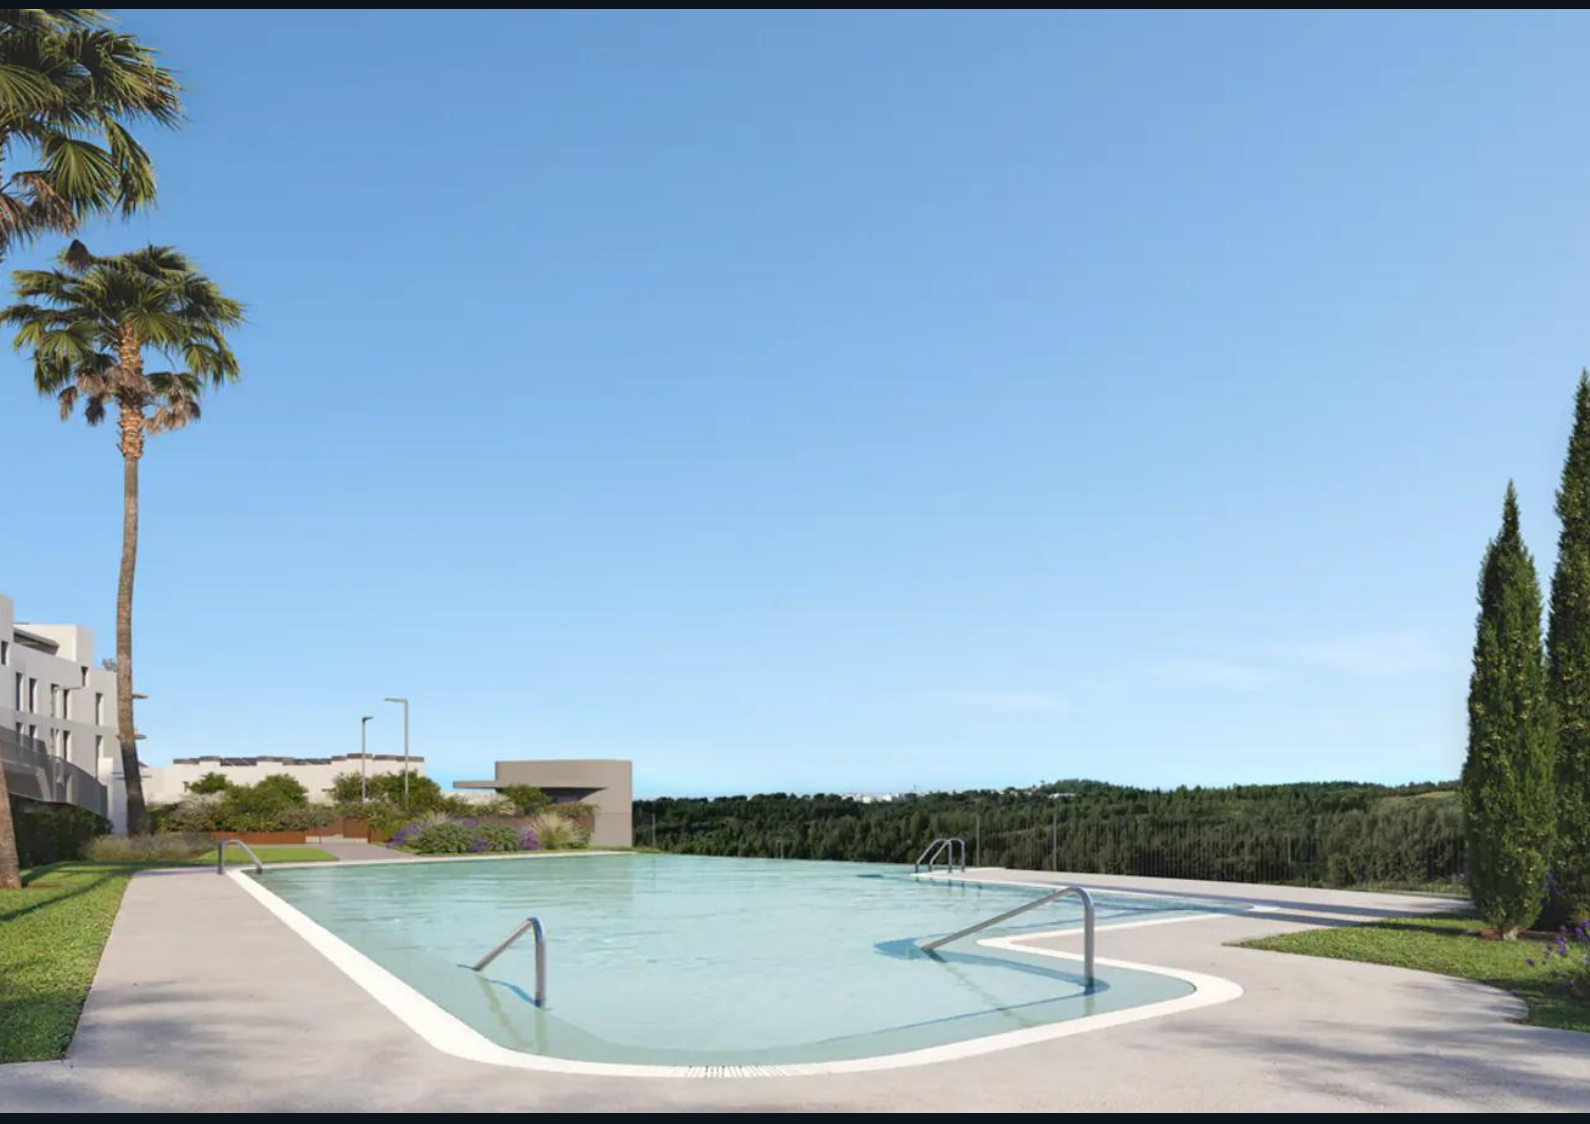

Specifications

Each apartment includes ducted hot and cold air conditioning, premium SPC XL wood-inspired flooring, aluminium carpentry with thermal break and double glazing. Kitchens come fully equipped with premium appliances including induction hob, ovens, extractor hood, refrigerator and dishwasher. Bathrooms feature designer fixtures and porcelain tiles. Smart home technology is integrated throughout.

Sustainability

The development holds a BREEAM certificate for sustainable construction. Domestic hot water comes from aerothermal energy. Strong thermal and acoustic insulation reduces energy use. Pools use saline chlorination instead of standard chemicals. The landscaping uses native Mediterranean species like thyme and lavender, plus a citrus orchard, to support local biodiversity.
