Overview

This modern complex offers 30 apartments with 2, 3, or 4 bedrooms, distributed across three buildings of three levels each. The units feature either spacious solariums, private gardens on ground floors, or terraces with scenic views.

Amenities

Residents have access to an outdoor pool, landscaped gardens, a solarium, a fully equipped gym, and a coworking space. Additionally, each apartment includes two parking spaces and a storage room. Communal areas also feature motion-controlled lighting and pre-installed electric vehicle charging points.

Specifications

Apartments come with fully equipped kitchens featuring Silestone or similar countertops, and energy-efficient appliances (A rating or higher). Interior flooring consists of 75x75 cm porcelain tiles, with three color options. Bathrooms include TEKA brand wall-hung toilets, extra-flat showers, and main bathrooms with double vanities. Bedrooms have built-in wardrobes, while the entire apartment has hot-cold air conditioning, with underfloor heating in bathrooms and optional upgrades for other areas.

Sustainability

The complex is designed with sustainability in mind, incorporating thermal insulation to reduce CO2 emissions and aerothermal systems for energy-efficient heating and cooling. Electric vehicle charging is pre-installed.
