Overview

This development in Estepona consists of 36 apartments, with 2- or 3-bedroom options. Each apartment is designed with large rooms, spacious terraces, and offers panoramic views of the Mediterranean Sea. The development also includes ground-floor apartments with private gardens and pools, as well as penthouses with solariums and rooftop pools.

Amenities

Residents have access to top-tier amenities including a community swimming pool with night lighting, gym, spa, coworking area, cinema room, and beautifully landscaped green areas with a sunbathing area. Each apartment comes with parking spaces and storage rooms. Ground-floor units have private gardens and pools, and penthouses feature solariums with rooftop pools.

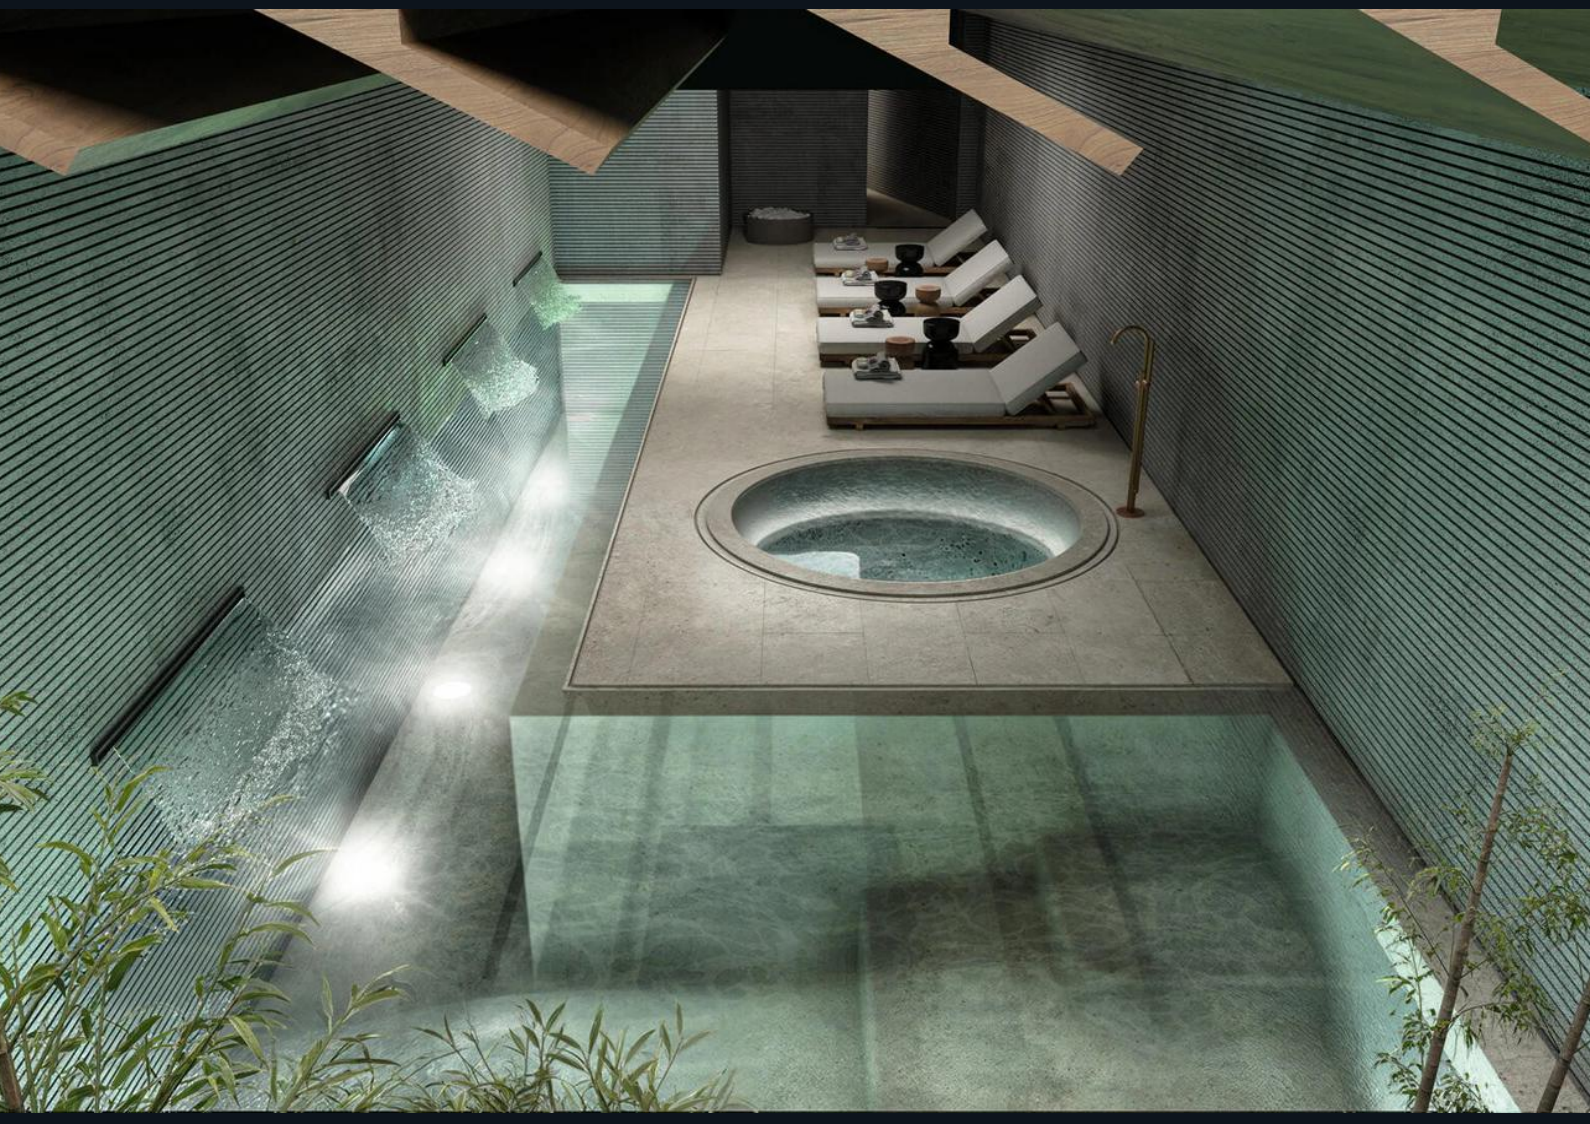

Specifications

Each apartment is equipped with a fully furnished kitchen that includes high and low cabinets, a quartz countertop, and appliances from BOSCH or SIEMENS. The interior features include porcelain stoneware flooring, large-format tiles in bathrooms and kitchens, and built-in modular wardrobes. Windows are double-glazed, ensuring energy efficiency and soundproofing. Bathrooms come with low-profile shower trays, modern fixtures, and Grohe faucets.

Sustainability

The development incorporates several sustainability features such as an aerothermal hot water system, energy-efficient lighting in communal areas, and pre-installation for electric vehicle charging in the garages. Low-water-consumption plants and automated drip irrigation systems are used in the landscaped areas.
