# Overview

The development consists of **64 apartments** in two crescent-shaped buildings. Choose from **2 and 3 bedroom layouts** across ground, middle, and penthouse floors. Ground floor apartments include a private garden and **private pool**. Penthouses feature a large solarium with a **private rooftop pool**. All units have panoramic terraces with sea and mountain views.

# Amenities

The complex features an **infinity pool with a double-height waterfall effect**, landscaped gardens, a fully equipped gym, a coworking space, a social club, changing rooms and outdoor showers. Residents access a gated entrance, 88 parking spaces, storage rooms, and bicycle parking. Penthouses include two parking spaces and a storage room.

# Specifications

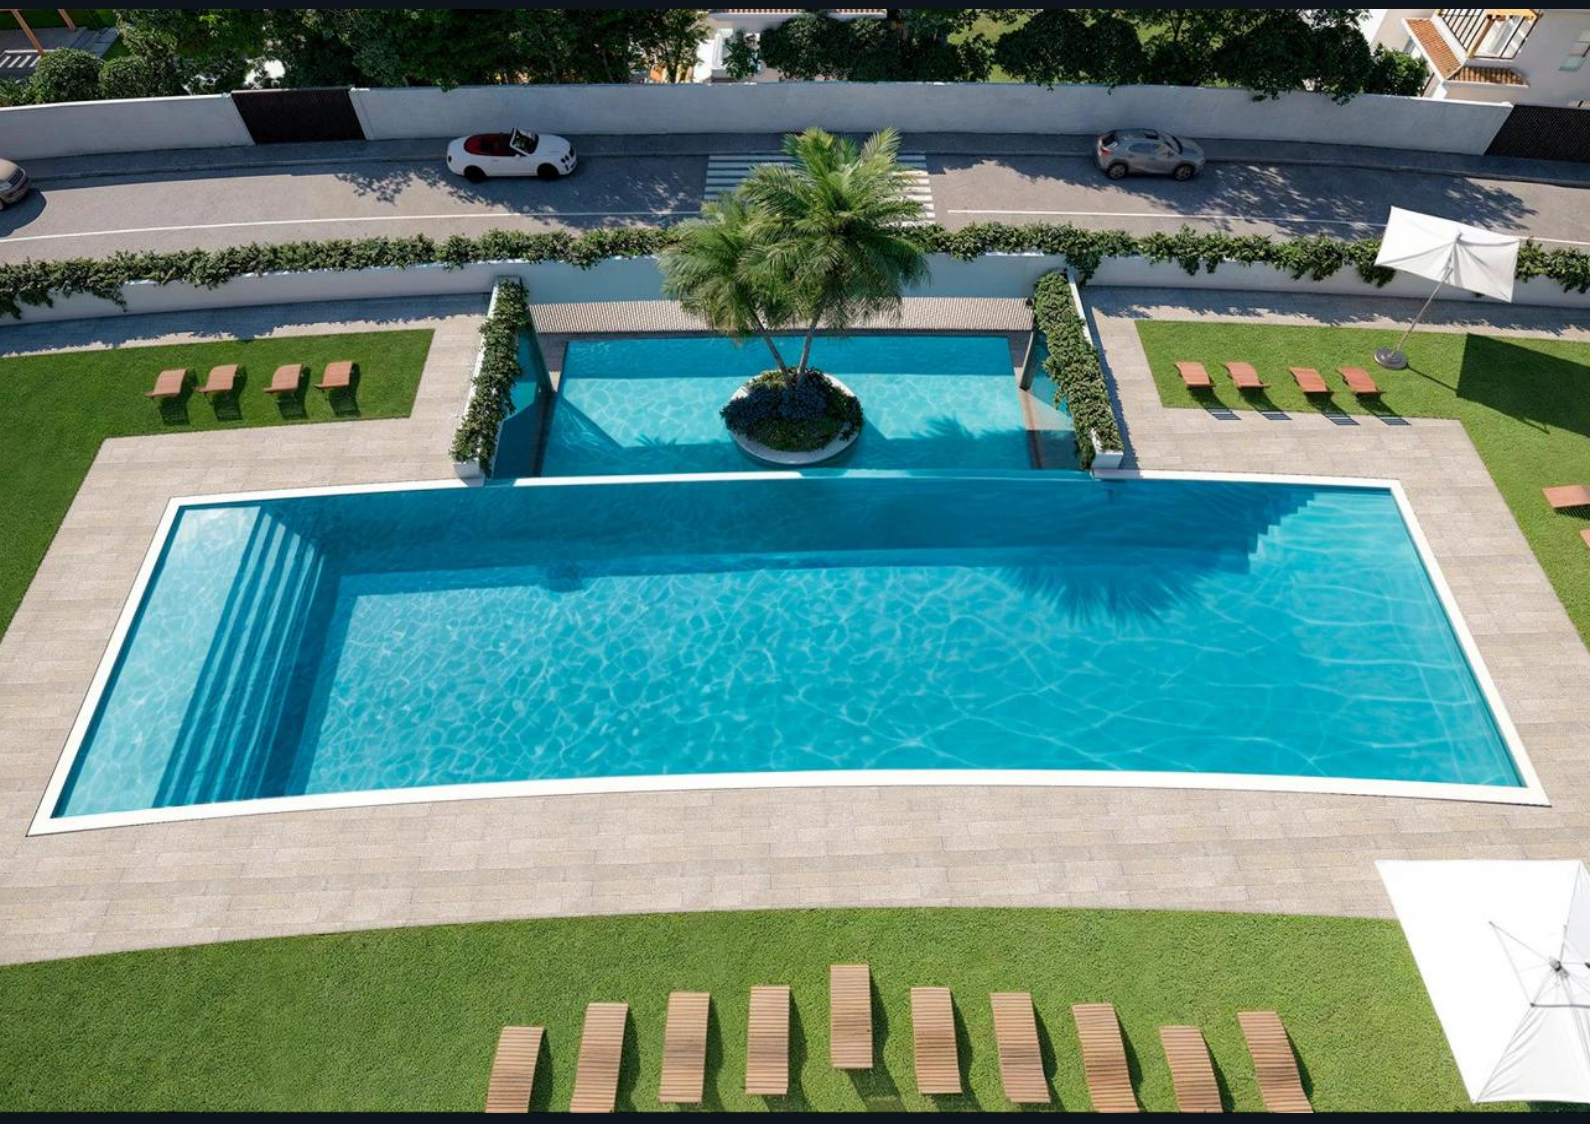

Each apartment includes a **furnished kitchen with appliances**, aérothermal climate control, multi-split air conditioning with heat pump, double-glazed windows with thermal break, a reinforced entry door, video intercom and porcelain flooring 60x60 cm. Bathrooms include integrated washbasin furniture and walk-in showers. Direct lift access connects to the garage.

# Sustainability

The development is rated **energy class B**, supported by rooftop photovoltaic panels, an aérothermal hot water system, LED lighting in common areas, mechanical ventilation and automatic garden irrigation with timers. All parking spaces include **pre-installation for electric vehicle charging**. The curved architecture is designed to optimise solar orientation.
