Overview

This development has **163 apartments** with **1, 2, or 3 bedrooms**. All apartments include **large terraces** with **sea and mountain views**. The architecture combines style and functionality with high-quality materials, offering bright interiors connected to outdoor spaces.

Amenities

Residents have access to **2 outdoor pools**, an **indoor pool**, a **spa and wellness area**, and **landscaped gardens**. There is also a **fully equipped gym**, an **open-air fitness area**, **underground parking**, **private storage rooms**, and a **car wash area**. The community is **secure and gated** with controlled access.

Specifications

The apartments have **open-plan living spaces** with large windows that bring in natural light and connect directly to the terraces. Kitchens and living rooms are designed in a modern style, combining comfort and functionality. Bedrooms are spacious with high-quality finishes, while covered and uncovered terraces create generous outdoor areas. Some apartments also include **private gardens or solariums**.

Sustainability

The design focuses on **energy efficiency** with **contemporary architecture**, use of natural light, and communal green areas. Features such as **photovoltaic panels** and efficient systems are included to reduce environmental impact.
