Overview

This gated development includes modern apartments built with a high-performance thermal insulation system and a continuous cladding facade. Apartments offer expansive terraces and high-quality finishes, with options of 1, 2, and 3 bedrooms.

Amenities

Residents can enjoy a fenced adult swimming pool, large solarium, children's play area, gym, co-working space, and bicycle parking. The community is secured with a concierge service at the pedestrian entrance and motorized garage doors with remote control.

Specifications

Each apartment features ceramic or technical laminate flooring, non-slip tiles on exterior areas, and PVC or aluminum windows with double glazing. Kitchens come equipped with high and low cabinets, a ceramic hob, oven, microwave, integrated extractor, and quartz or similar countertops. Bathrooms are finished with dual flush toilets and wall-mounted vanity units. Each unit has an individual arothermal system for heating, cooling, and hot water, and a color video intercom system provides secure access.

Sustainability

The development incorporates energy-efficient systems, including an arothermal heat pump and LED lighting in elevators. Communal areas include Mediterranean landscaping and recycled polymer furniture.
