Overview

This beachside development has **three low-rise buildings with 48 apartments**, offering layouts from **one to four bedrooms**. Each apartment opens through **floor-to-ceiling windows** onto either a private garden or a large terrace, with **sweeping views of the Mediterranean Sea and the Estepona mountains**. The open-plan living areas have above-standard ceiling heights and flow straight onto the outdoor space.

Amenities

Residents share more than **1,390 m² of indoor and outdoor facilities**. There is an **outdoor pool with private cabanas**, an **Owner's Club** with two lounge spaces, a **Technogym fitness centre**, a yoga studio, a solarium bar, and a barbecue area. Landscaped gardens, a secure covered garage with **electric-vehicle charging**, private storage, bicycle storage, controlled access with a security booth, and 24/7 parcel boxes complete the offer.

Specifications

Each apartment has a **fully equipped kitchen** with an induction hob, extractor hood, convection oven, and integrated fridge, freezer, and dishwasher, finished with **Grohe taps** and a stainless steel sink. Bathrooms use **Roca sanitary fittings**, Grohe taps and showers, glass shower screens, and neutral tiles. Other finishes include **high-efficiency air conditioning and heating**, premium Vescom wallcoverings, and walk-in wardrobes plus living-room and primary-bedroom terrace access in selected apartments.

Sustainability

The development uses a **Smart Flower solar system** whose petal-shaped panels track the sun and capture up to **40% more energy** than fixed panels. **Smart-home automation** controls each apartment, an interface system manages the main building services, and electric-vehicle charging points in the garage support lower-emission travel.
