Overview

This development consists of 3 blocks with a total of 100 two- and three-bedroom apartments. The apartments are designed with modern architecture and spacious terraces that offer stunning views of the Mediterranean Sea. The development includes ground floors, apartments, and penthouses, each designed with high-quality finishes and ample living space.

Amenities

The development offers a range of amenities, including a saltwater swimming pool, an outdoor jacuzzi, a gym, and a spa with a sauna and Turkish bath. There are landscaped gardens with a picnic area, a yoga and meditation space, and a chill-out zone. Bicycle parking is also available for residents. The units also come with a garage and a storage room. K jednotkám patří také garáž a skladovací místnost.

Specifications

Kitchens are fully fitted with Balay appliances, and hot-cold air conditioning is installed through ducts. Bathrooms are equipped with top-brand fixtures, including thermostatic chrome showers and wall-hung toilets. Interiors are customizable with options for ceramic flooring and modular wardrobes.

Sustainability

Centralized arothermal heating, thermal insulation in facades, and the use of recyclable materials are key features. Energy-saving measures include thermal outlets, LED lighting, and a renewable energy generation system. The saltwater pool minimizes chemical use, reducing maintenance and environmental impact.
