Overview

This development includes 80 apartments with 2 and 3 bedrooms, including duplex penthouses. Each unit has a spacious terrace with sea views. The architecture integrates Mediterranean design and natural surroundings to ensure privacy and light.

Amenities

Residents have access to an infinity pool, heated lap pool, spa with Turkish bath, gym, social lounge, coworking space, and a pool bar. The development also features landscaped gardens and internal roads with stamped concrete.

Specifications

All apartments feature porcelain stoneware flooring, open-plan kitchens with high-end appliances, built-in wardrobes, and underfloor heating. Bathrooms include resin shower trays with safety glass screens, countertop basins, and thermostatic faucets. High-performance PVC or aluminum windows with double glazing and motorized shutters in bedrooms are included.

Sustainability

The project includes an aerothermal system for hot water and underfloor heating. LED lighting, high thermal insulation, and pre-installation for electric vehicle charging are also provided.
