Overview

This development offers 30 apartments designed to mix well-being, sustainability, and modern living. The apartments come with 3 or 4 bedrooms, ranging from 200 to 330 m², with terraces from 40 to 260 m² or private gardens up to 155 m². Interiors are bright with large windows.

Amenities

Residents have access to premium amenities including a coworking space, a gastro bar, a fitness center, an indoor heated pool, and two outdoor pools (one adults-only). There are also concierge services for daily needs, offering hotel-like comfort.

Specifications

Each apartment features Miele appliances, open-plan kitchens with large islands, energy-efficient floor-to-ceiling windows, underfloor heating, and smart home systems for air quality, lighting, and security. Bathrooms include thermostatic showers and eco-friendly fixtures.

Sustainability

The project is nearly zero-emission, aiming for WELL Gold and BREEAM Excellent certifications. It includes advanced insulation, aerothermal HVAC, underfloor heating, and rainwater collection for irrigation.
