Overview

This development has **three blocks with 48 apartments** of 1, 2, and 3 bedrooms, most with 2 bathrooms. Ground-floor apartments have private gardens, the middle floors have terraces, and the penthouses include a **private rooftop solarium with a pool**. Built sizes range from about 57 to 92 m², and many apartments offer sea and mountain views.

Amenities

Residents share a **communal swimming pool, a gym, a coworking space, and a social lounge**, set within landscaped gardens with a sports area. The complex has gated parking spaces and a storage room for each apartment. Security includes closed-circuit cameras in the common areas and garage, plus a video intercom at each entrance.

Specifications

Each apartment comes with a **fitted kitchen with an oven, ceramic hob, extractor, and washing machine** and a Silestone worktop. Floors are rectified porcelain, with fitted wardrobes and a reinforced entrance door. Windows are double glazed with thermal-break aluminium frames, and each apartment has air conditioning and heating through ceiling fan-coils, controlled by a living-room thermostat.

Sustainability

The development includes a **communal solar thermal system** that helps produce hot water for each apartment. Each apartment also has a **pre-installation for electric vehicle charging** in the garage. Thermal-acoustic insulation and thermal-break glazing improve energy efficiency throughout the building.
