# Overview

This development consists of 40 apartments with 2, 3 or 4 bedrooms, divided across 4 blocks and is located just 800 meters from the beach. Each apartment includes spacious interiors between 90 m<sup>2</sup> and 145 m<sup>2</sup> built and large terraces. Ground-floor apartments have private enclosed gardens, and penthouses include private terraces with pools. Each unit guarantees sea views, even from many ground floors, due to the elevated location.

# Amenities

The communal areas include an adult pool, a children's pool with safety fencing, Mediterranean-style landscaped gardens, and a gym with views of the green area and pool. Auxiliary shared spaces and modern outdoor lighting are also included throughout the complex. The penthouses have the option of a private pool.

# Specifications

Each apartment features imitation wood ceramic flooring, fully equipped kitchens with major appliances, aerothermal air conditioning via ducts, and motorised blinds in bedrooms. Bathrooms are fitted with high-quality porcelain tiles, Ideal Standard fixtures, and Steinberg taps. Ground floors have private gardens, and penthouses include pools with filtration systems.

# Sustainability

The development achieves energy rating A in emissions and B in consumption. It includes aerothermal heat pumps for both air conditioning and domestic hot water, double-flow mechanical ventilation with heat recovery, thermal insulation, and double-glazed low-emission windows.
