Overview

This development consists of 49 apartments with 1 to 4 bedrooms. Each apartment has a terrace, with sizes ranging from 85 m² to 160 m² of living space, plus additional outdoor space. The project offers modern architecture and is surrounded by landscaped gardens and multiple communal facilities.

Amenities

Residents can enjoy three adult swimming pools, three children's pools, a gym, luxurious spa, cinema, youth club, and co-working areas. The spa includes an indoor heated pool, sauna, and solarium. The development also offers private parking, a multipurpose room, and extensive green zones for leisure.

Specifications

Each apartment is equipped with high-end features including porcelain stoneware flooring, modern kitchen appliances (electric oven, vitro-ceramic hob, refrigerator, dishwasher, washing machine), double-glazed windows, and an armored entrance door. The terraces are fitted with lighting, water taps, and TV connections. Bathrooms feature thermostatic taps, resin shower trays, and modern vanities.

Sustainability

The development is committed to sustainability with aerothermal energy systems for efficient heating and cooling, pre-installation for electric car chargers, and thermal insulation to optimize energy consumption. These measures ensure low CO₂ emissions and lower energy bills for residents.
