Overview

This development in Mijas Costa consists of 72 modern apartments available with 2, 3, or 4 bedrooms. Ground-floor units include private gardens, while penthouses offer spacious terraces with sea views.

Amenities

The development features a large outdoor saltwater pool with ambient lighting, a fully equipped gym, and a social-gourmet lounge for hosting gatherings. Residents can also enjoy beautifully landscaped gardens, along with private parking spaces and storage rooms.

Specifications

Each apartment includes high-quality finishes with PVC-framed windows and double glazing for sound and temperature control. Kitchens come fully equipped with modern appliances like an oven, hob, fridge, and dishwasher, while bathrooms feature chrome fixtures and thermostatic showers. The complex is secured with a video intercom system, and garages are pre-installed for electric vehicle charging.

Sustainability

With a B energy rating, the development emphasizes sustainability through features like advanced insulation, low-emissivity glass, and an arothermal system for efficient hot water production. This design ensures lower energy consumption and reduced CO2 emissions.
