Overview

This development offers 233 luxurious apartments and villas with 1-, 2-, and 3-bedroom options. The development is located between Mijas and Benalmadena, just minutes from the sea and only 2 minutes from a known resort, providing access to its sports facilities, spa, restaurants, shopping center, and a train station.

Amenities

Residents have access to a communal pool, a fully equipped gym, wellness area, sauna, coworking space, business center, and an event area. The development also features extensive landscaped gardens with Mediterranean vegetation, a picnic and barbecue area, and 24-hour concierge services for booking drivers and restaurant reservations.

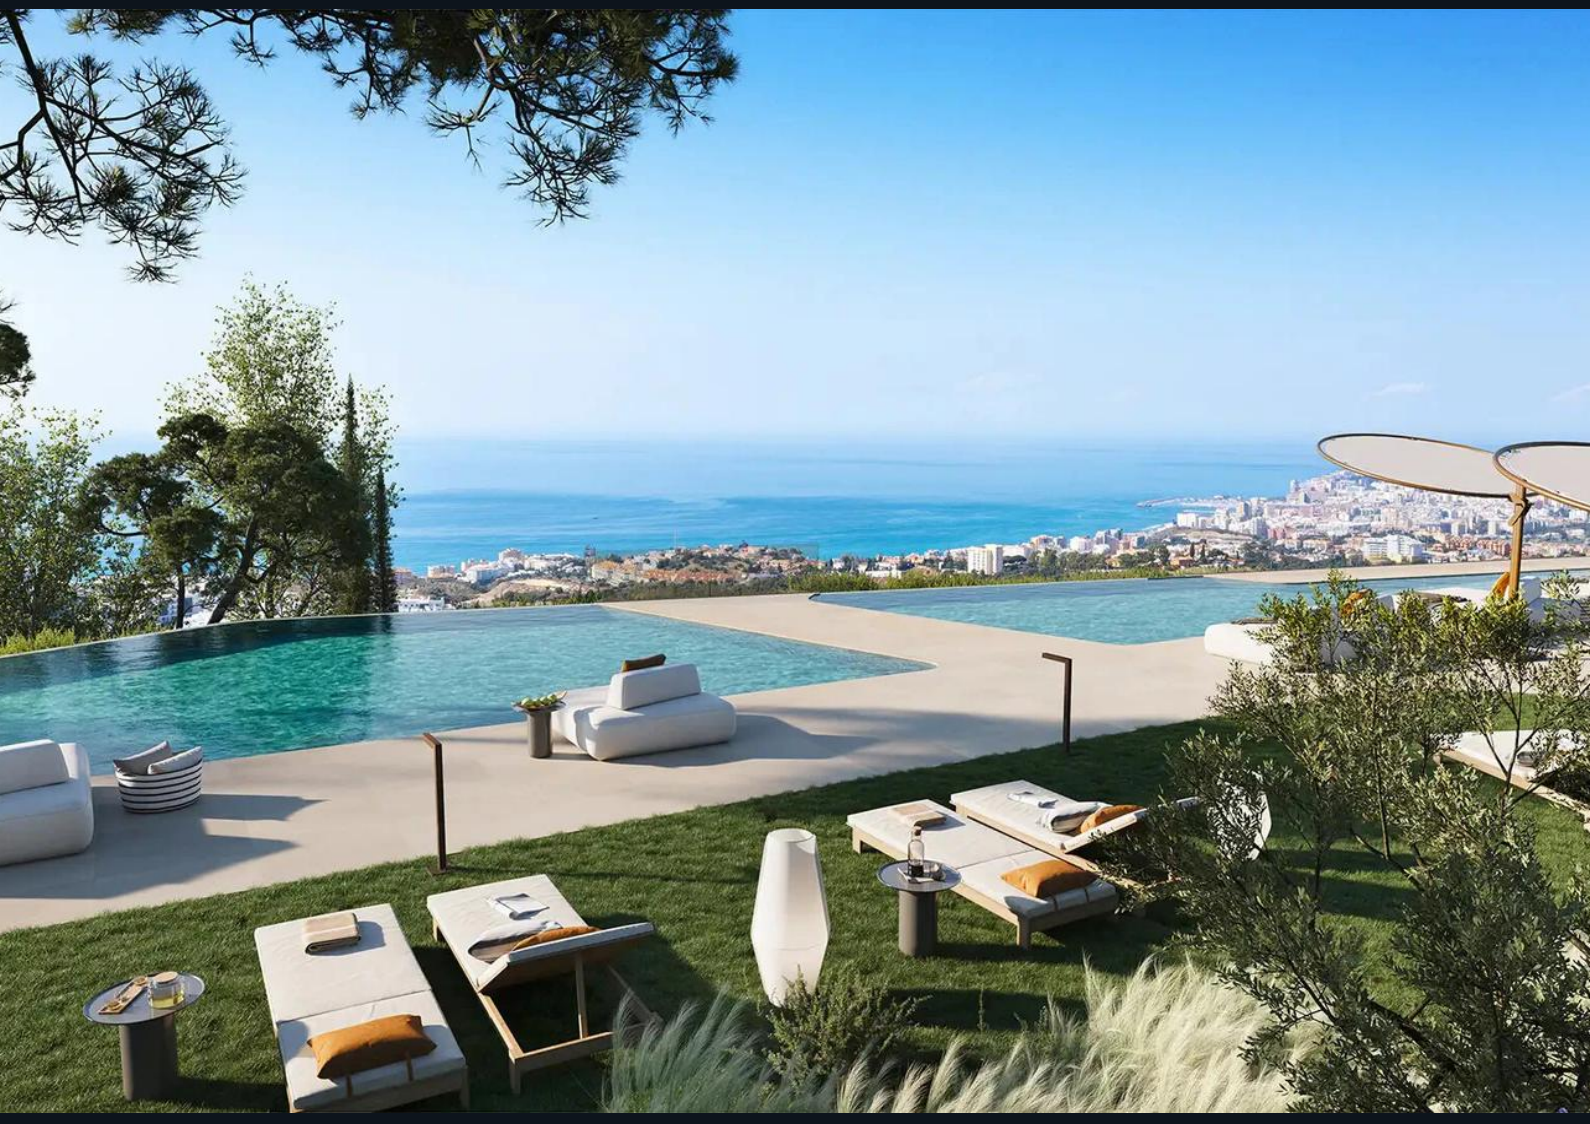

Specifications

Properties include underfloor heating in living rooms and bathrooms, spacious terraces with coastal views, and kitchens equipped with Bosch, AEG, or Miele appliances. All units are pre-installed with electric vehicle charging stations. Each apartment or villa comes with one or two parking spaces and a storage room. Bathrooms feature high-quality fixtures from Duravit, Hansgrohe, and Kaldewei.

Sustainability

The development prioritizes sustainability through photovoltaic panels for lighting and gray water recovery systems. The development uses eco-friendly materials to reduce environmental impact while promoting a healthy living environment.
