This Mediterranean-style villa in Las Lomas, Nueva Andalucía, has been thoughtfully redesigned to make the most of its sunny, south-facing position and wide sea views. Spread across three levels, it offers five bedrooms with light-filled interiors in calm, neutral tones.

The main floor features an open-plan living space with a modern kitchen, dining area, and lounge that flow naturally onto large terraces—perfect for gatherings or quiet evenings outdoors. The master suite occupies the entire top floor, giving it privacy along with its own walk-in wardrobe and sweeping views of the Mediterranean. On the lower level, a cozy lounge makes an ideal TV or entertainment room.

Outside, the villa is surrounded by landscaped gardens, several lounging areas, and an infinity pool that seems to blend into the horizon. While there's no garage or lift, the property offers secure parking for up to four cars inside the gates and room for three more near the entrance.

With its beautiful setting, carefully designed spaces, and rare coastal views, this home brings together comfort and elegance in one of Marbella's most sought-after neighborhoods.
