Set in the quiet hills of El Madroñal, this newly built 5-bedroom villa combines modern design, comfort, and sweeping sea views. The home sits in a gated community with 24-hour security, giving both privacy and peace of mind, while still being just a 15-minute drive from Marbella and Puerto Banús.

The entrance opens to a bright hall that leads into two spacious living rooms, a stylish dining area, and a sleek contemporary kitchen. On the lower level, three bedrooms with en-suite bathrooms face the sea, with large windows filling the rooms with light and giving direct access to the garden. This floor also includes a gym, spa, and laundry area, making it a complete living space.

The entire top floor is dedicated to the master suite — a private retreat with its own terrace, a large walk-in closet, and a beautifully designed bathroom.

This villa is made for both relaxation and entertaining, with open spaces, modern comforts, and views that stretch from the mountains to the sea.
