This modern villa in Lomas de La Quinta offers both privacy and convenience in a secure gated community. Just a short drive from Nueva Andalucía, San Pedro de Alcántara, Puerto Banús, and the beaches of Marbella, it's perfectly placed for enjoying restaurants, shops, and leisure while still feeling like a private retreat.

Inside, the home is bright and open, with high ceilings and large windows that connect the living areas to the outside views. The ground floor features two lounge areas with fireplaces, a dining space next to the kitchen, a separate laundry room, and a guest bathroom. There's also a spacious bedroom with its own dressing area and ensuite bathroom, all opening onto a wide terrace with panoramic views of the sea and mountains.

Upstairs, three more bedrooms each come with their own bathroom and dressing room. The master suite stands out with its size and a private terrace overlooking the coast, creating a calm and personal space.

The garden and pool area are a highlight, with a heated pool set against the backdrop of the sea and mountains. The lower level includes a garage for two cars, storage rooms, and extra parking at the entrance. There's also an unused space beneath the pool that could be transformed into a gym, cinema, or an extra bedroom.
