This elegant family villa sits on the frontline of Los Naranjos Golf in Nueva Andalucía, offering comfort, style, and plenty of space for both relaxation and entertaining.

The home opens with a bright, open-plan living area that flows directly to the outdoor terrace and pool. Heated wooden floors add warmth inside, while outside you'll find a private swimming pool, an ethanol fireplace, and generous space for gatherings all year round.

On the main floor there are three bedrooms, a home office, and a TV room – ideal for work, rest, and family time. Upstairs, three additional en-suite bedrooms await, including a spacious master suite with his-and-hers walk-in closets and a private terrace overlooking the golf course and the sea.

The lower level of the villa is designed for leisure and well-being. It features a bar and lounge area, a cozy TV room, a sauna and steam room with a Himalayan salt wall, a massage room, and a space to keep up with fitness routines.

With six bedrooms in total and a thoughtful mix of indoor and outdoor living, this villa provides everything a family needs to enjoy the lifestyle and surroundings of Marbella.
