This modern 3-bedroom apartment sits quietly in the hills above Marbella, surrounded by nature and far-reaching sea views that stretch all the way to Africa on clear days. It's a home designed for peace, space, and comfort, while still being only a short drive from the coast and the city.

Located on the first floor of a small building with just five apartments, it offers plenty of privacy. Inside, the open-plan living area and fully fitted kitchen create a bright and welcoming space, perfect for everyday life or gathering with family and friends. The three bedrooms are generous in size, and both bathrooms come with underfloor heating for extra comfort.

The apartment's standout feature is the large front terrace — a place to sit back, dine outdoors, or simply take in the panoramic views of the Mediterranean. At the back, there's a spacious private patio that catches the sun throughout the day, ideal for relaxing or creating a cozy chill-out spot.

Practical details make this home easy to enjoy: two private parking spaces, a large storage room, and modern security with cameras, alarms, and 24-hour gated access. Residents also benefit from a shared swimming pool, gym, and landscaped gardens that add to the sense of calm.

Whether you're looking for a full-time home, a holiday escape, or a solid investment, this apartment brings together modern living, privacy, and some of the best views you'll find on the Costa del Sol.
