This villa in Los Naranjos Hill Club, Marbella, combines modern design with a touch of Andalusian style, set in a private gated community. The home is filled with natural light, featuring warm finishes and a spacious double living area that works just as well for quiet family evenings as it does for hosting friends.

The property offers five en-suite bedrooms plus a separate guest studio with its own entrance, giving you six bedrooms in total. The master suite stands out as a calm retreat with lovely views over the surrounding countryside.

Outside, a large pool and generous sunbathing area create the perfect spot to enjoy the Marbella sunshine. An outdoor dining space makes it easy to gather with family and friends for dinners under the stars. The villa comes fully furnished, ready to move in.

Set in one of Marbella's most desirable areas, the villa offers both privacy and convenience. Puerto Banús, Marbella town, golf courses, international schools, fine dining, and shopping are all just minutes away.

A home designed for both comfort and lifestyle, it's a place where you can truly enjoy the best of the Costa del Sol.
