This beautifully renovated apartment sits in a quiet, gated community on Marbella's famous Golden Mile. It's on the second floor with lift access and includes private parking.

Inside, the 110 m² layout feels bright and welcoming, with three bedrooms, two bathrooms, and an additional guest toilet. The living area opens to a 20 m² terrace with open sea views — perfect for enjoying sunsets or a relaxed breakfast outdoors.

Every corner of the home has been thoughtfully rebuilt using high-quality materials. The kitchen comes with top appliances from Gaggenau and Siemens, while the bathrooms feature elegant marble finishes and Dornbracht fittings. Wooden herringbone floors add warmth, and underfloor heating keeps it cozy in winter. The smart home system allows easy control of lighting and temperature throughout.

The community is secure and well-maintained, offering landscaped gardens, swimming pools, a renovated gym, sauna (under renovation), and a co-working area.

From here, you can walk to the beach, nearby cafés, and the world-famous Puente Romano resort. The location offers a relaxed Mediterranean lifestyle with everything close by — fine dining, sports clubs, and international schools.

Whether used as a permanent home, a holiday retreat, or an investment, this apartment combines comfort, convenience, and lasting value in one of Marbella's most sought-after areas.
