This beautifully renovated apartment sits on one of Marbella's main avenues, offering a relaxed city lifestyle just a short walk from the beach, shops, and restaurants.

Located on the 4th floor of a building with a lift, the home features a modern open-plan layout filled with natural light. The kitchen, fitted with quality appliances and a central island, opens to the dining and living area—perfect for both everyday living and entertaining friends or family.

There are three bedrooms and three bathrooms. Two bedrooms have en-suite bathrooms, while the third bathroom is conveniently placed near the kitchen for guests. The master bedroom feels especially peaceful and spacious.

The southwest-facing terrace offers a sunny spot to enjoy the warm Marbella weather all year round. The building also includes a shared swimming pool and landscaped garden—rare to find in such a central location.

With its modern renovation, central position, and comfortable design, this apartment works equally well as a permanent home, a holiday retreat, or an investment property.
