This bright two-bedroom penthouse sits right by the beach in Estepona, offering open views of the Mediterranean, Gibraltar, and even the African coastline on clear days.

The home is designed for easy coastal living. Inside, the open-plan living room and kitchen are filled with natural light through large windows that look straight out to the sea. The master bedroom has its own bathroom, and there's a second bedroom and a guest bathroom for family or visitors.

A 21 m² terrace opens up from the living area, perfect for breakfast in the morning sun or a quiet drink at sunset. From there, a private staircase takes you up to your own rooftop terrace — about 67 m² — where you can create a relaxing space with a lounge area, outdoor kitchen, and even a jacuzzi if you wish.

The penthouse includes a private parking space, a small storage room, and is located in a well-kept beachfront building with lift access. There's also a garden area, air conditioning, and central heating for comfort year-round.

Everything you need is within walking distance — shops, cafés, the seafront promenade, and direct access to the beach just steps away. Buses to Málaga Airport stop nearby, and Estepona's charming old town is just a short stroll.

This is a home where every day feels like a holiday — peaceful mornings by the sea, evenings under the stars, and all of Estepona's coastal life just outside your door.
